I read this earlier this morning (I think Emma tweeted it), been laughing ever since, the powerpoint slides are a hoot! I could not enlarge/improve the image of the one with the faces on it (p. 2) sufficiently to see who made it on besides Greenwald and David House--were you honored?

From Bloomberg: *Its goal is "a perpetual revolution across the world that goes on until governments are basically overwhelmed and results in a freer system," he said.*

I have already said you're the prophet of this age.
